# THE BORDER RANDONNEE

## Road Cycle Event

### SATURDAY 10TH MAY 2025

By entering the event you acknowledge it is a test of your physical stamina and your capacity to complete the route you have chosen to ride. You must consider yourself fit to participate in the event. If you have any doubt about your health you should consult a doctor before participating. The event is designed and intended to be physically challenging and a level of good basic fitness will be required by entrants in order to complete even the shortest route.

You acknowledge that participation in The Border Randonnee is at your own risk and that the organisers cannot be held liable for any injury, loss or damage caused or sustained as a result of your participation. You will observe the highway code and the direction of appointed event marshals and officials at all times while participating in the event.

An approved cycle helmet, conforming to CE standards EN1078, must be worn at all times whilst riding during The Border Randonnee as encouraged under British Cycling Guidelines for Non-competitive Events.

You will be supplied with a wristband which should be worn for the duration of the ride.

Riders will be responsible for the roadworthiness of their own bicycle.

All riders are recommended to carry drink bottles, snack food, basic tools, a replacement inner tube and suitable wet weather clothing. It makes sense to carry ID, some money and a mobile phone. It is possible that reception will be poor in the more remote areas. Carrying a First Aid kit is optional.

You should aim to finish your chosen route no later than 4.00pm on the day. If in the opinion of a marshal you are not able to complete within the stated time you will be offered recovery to Minsterley in the sweeper vehicle or to terminate your participation in the event by surrendering your event wristband.

You are requested to ride in single file where appropriate, to be aware of your fellow cyclists and most importantly other road users. The event is being held on a public highway where the rights of and responsibilities to other road users apply.

Information and maps will be available online, but navigation during the event will be your own responsibility.

Therefore the organisers strongly recommends participants carry the route instructions that will be available for the event.

Food and drink will be provided at the Checkpoint and Finish.

On completion of the event, you must check in at Minsterley Village Hall (Start/Finish). If you do need to withdraw from the event on the day you must still inform organisers that your ride has finished and remove your event wristband.

The event will take place regardless of weather conditions and only be cancelled, or the routes modified, if in the opinion of the event organisers an entrant's reasonable safety is at risk.

We take all possible care to ensure information presented is correct. However, no liability can be accepted, by the Organisers (The Rotary Club of Shrewsbury Darwin) for any errors or omissions in the information given, or for any losses you may incur.

All entrants should register to confirm their attendance on the day. Registration will be open from 8.00am.

We will send you an email before the event with any update.

Please see our website and Facebook page for further details.

If you have any queries about your entry please contact us at [philip.freeman6@gmail.com](mailto:philip.freeman6@gmail.com)

**Start/ Finish: Minsterley Village Hall, Minsterley SY5 0EH**
